David M. Hein
Vice President, GMM
5.11 Tactical
1360 Reynolds, Suite 101
Irvine, CA 92614

This letter is to confirm that the 5.11 Uniform Outer Carrier manufactured by 5.11 Tactical is approved for use with all Point Blank Enterprises Inc. concealable armor panels marketed under the Point Blank Body Armor and PACA Body brands of NIJ certified body armor.

Point Blank Enterprises Inc. offers a limited warranty on all Point Blank Body Armor, PACA Body Armor, and Protective Products Enterprises, brand body armor for a period of sixty (60) months. Consistent with the terms of the limited warranty, Point Blank Enterprises, Inc. will continue to support the warranty of all Point Blank Body Armor and PACA Body Armor brand armor ballistic panels when used with the 5.11 Uniform Outer Carrier. As with all bullet-resistant vests the ballistic panels offer protection to only those areas that cover the body. Point Blank Enterprises Inc., Point Blank Body Armor and PACA Body Armor will not be responsible for the sizing or labeling of the 5.11 Uniform Outer Carrier used with Point Blank Enterprises ballistic panels. The following conditions shall apply:

- Insertion of of Point Blank Body Armor and PACA Body Armor ballistic panels in the 5.11 Uniform Outer Carrier requires the use of Self-Suspending Ballistic System (shoulder straps) that attach directly to the front and rear ballistic panels.
- The 5.11 Uniform Outer Carrier is offered in a unique shape and design and the ballistic coverage area may be different than the shape of the 5.11 Uniform Outer Carrier. The attached appendix provides the panel size that would offer the maximum coverage area when used in-conjunction with the 5.11 Uniform Outer Carrier.
