

ATOM™ CHEST ASCENDER KIT

The ATOM Chest Ascender Kit is a specialized solution for affixing a chest ascender to the CMC ATOM Harness. This kit includes one sewn ATOM Ascender Strap (part # 067022) and one 8MM Delta Quick Link (part # 382008). These parts are also available for individual purchase.

This kit is compatible with the [Climbing Technology Chest Ascender HC](#), Climbing Technology Chest Ascender +, and the Petzl Croll Ascender, in both the small and large sizes. Follow the video instructions provided on this page to properly attach a chest ascender to your CMC ATOM harness.

**** ATOM CHEST ASCENDER KIT DOES NOT INCLUDE A CHEST ASCENDER, CHEST ASCENDER MUST BE PURCHASED SEPARATELY *****
