

RIOT SHIELDS

Damascus Gear® Riot and Disturbance Control Shields offer state-of-the-art protection. The ergonomic handles and break-away straps are dielectric to prevent electrical pass through and can be reversed for left or right hand use. The wide nylon arm straps can be easily adjusted while in use. Damascus shields have superior optical quality and workmanship.

Custom Laser Cut Vinyl and Orafol® Daybright® Prismatic Reflective is available for all Damascus Gear® Riot Shields. This includes "POLICE", "SHERIFF", "CORRECTIONS" or a CUSTOM callout or logo.

For extreme situations the DRS10 Riot and Disturbance Control Interlocking Shield provides an interlocking design which can be used to configure a solid barrier with surrounding team members for maximum defense.
