Ameri-Viz is a US manufacturer specializing in custom made safety vests, stop paddles and signs. We have the ability to private label your merchandise, even for small quantity orders, enabling you to have your own brand clothing without the expense of opening your own factory. We have a complete Sign Shop producing quality Traffic Signs, Safety and Utility Signs, Rollup Signs and Traffic Paddles. Our other departments make Safety Vests, Traffic Flags, and Reflective Rainwear. When you buy from Ameri-Viz, you are buying DIRECT from the manufacturer. We sell only through distributors, so feel free to use us for your drop ship orders and never worry that your customer will be able to buy direct.

SAB30

New Child Safe Poncho. Easily goes over your child's head, will lay over backpack. Reflective circles and shoulder stripes shine brightly when light hits them, keeping children visible and safe. The bright lime or orange color stands out and helps you keep an eye on your child when in a crowd, also great for kids that help adult crossing guards before and after school. Child Safe, a new addition to our Be Safe Line.

CP1000
