**12oz Cotton Duck**

This super-duty shell will withstand the jobsite and keep you working hard from sun-up to sun-down.

**Quilt Lined**

Designed to keep you warm, this heavyweight quilt lining does just that.

**Brass Zipper**

This heavy-duty brass zipper has been tested by the pros and is approved for hard work.

# FLEX 180™

*Flex Inserts allow maximum mobility and stretch without the bind.*

# FLEX180™

**Made for the pros, the Flex 180™ line is a true focus on functionality. The extreme-stretch action back, elasticized elbow inserts and elasticized underarm gussets reduce bind when moving on the job. Making this the ultimate workwear solution.**

**CONCEALED CARRY WORKWEAR**

**BERNE®**

**CONCEALED CARRY WORKWEAR**

Robert G. Vogel - World Champion Marksman

### Ambidextrous Design

All of Berne's Concealed Carry Workwear items are designed for right and left-handed users. The off-hand pocket can be used for additional storage of magazines, pepper spray, flashlights, or any other necessary equipment.

### Versatility

Security of your firearm is the primary responsibility of a legal and responsible user. For that reason, the Adder System™ is designed with a velcro and elastic MOLLE retainment system designed to accept most holsters or accessories on the market.

### Concealment

The exterior cargo pocket covering the concealed carry storage area is designed to look and function just like a standard pocket.

### Inside Pocket Storage

Just in case you are in need of additional storage, our inside chest pockets feature the same elastic MOLLE system used in the exterior of the garment.

### Waist Size Note:

All insulated bib overall waist sizes are adjusted to wear over clothing.

For unlined bib overalls add 4" to 6" over your actual waist size for a proper fit.

ex: A 38" waist would wear a 2X-Large bib overall (waist 42-44 on size chart)

### Inseam Note:

30" inseam should order a short

32" inseam should order a regular

34" inseam should order a tall
