# MINI SHIELD KEY CHAINS

Exact miniatures of our full size shields, with same leather and reflective panel color options. Actual size: 3" x 2.5"

# AWARD PLAQUES

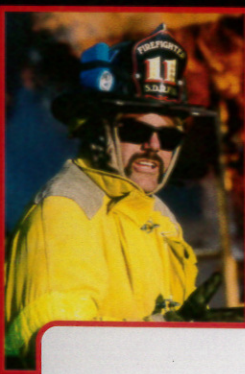

7"x9" Quality woodgrain wall plaque with shield already mounted on a curve like the front of a helmet. Available with or without 1"x3" brass plate with printed wording.

# GLOVE STRAP

The only glove strap that will hold your gloves without opening up on its own. Loop holds tight until you release the lock and pull down on your gloves. Strap end will not pull through the lock so it will always remain a loop. Available in black, yellow, red, blue, orange, purple, and pink.

*D. E. Williams Shields is committed to providing the finest quality products to the Fire Rescue Industry since 1991. All of our products are handcrafted and use only the finest materials available for long life in fireground conditions.*
