**UNSTOPPABLE IS HAVING THE RIGHT TOOL FOR EVERY PROBLEM.
TOOLS MATTER.**

YEARS OF INNOVATION MATTER.

A good tool enlarges your heart, extends your will.

It lets us interact with the world on the deepest level.

STONE, WOOD, FIRE, BLOOD, SNOT.

YOU'RE OUT THERE IN THE WOODS AND SWAMP AND THE SEA.

You're out there, in it.

YOU'RE UNSTOPPABLE

BUILT TO LAST

Gerber stands behind all of its products by offering a limited lifetime warranty. Our tools are made to stand the test of time.

BORN ON THE BATTLEFIELD

A longstanding ally to the US Military, Gerber understands the importance of trust and the fact that products are often the difference between life and death. Ask a member of the U.S. Military if they know Gerber and you'll get a story of reliability, loyalty and trust.

FEATURED PRODUCT

NEW

STRONGARM™

With a full tang, 420HC steel blade and rubberized diamond-texture grip, this is a knife you can bet your life on. A MOLLE compatible multi-mount sheath system offers optimal customization, keeping your knife ever at the ready in combat situations. PG 27 >

MULTI-MOUNT SHEATH SYSTEM

BASIC™

While lightweight and slim, this knife boasts a partially serrated fixed blade, anchored in a full tang application. A TacHide™ overmold keeps the handle secure and comfortable for any condition, an innovative sheath let's you choose where to carry.

Blade length:	3.4"
Weight:	3.8 oz
Handle:	TacHide™
Sheath:	included
Blade:	full tang

Blister	31-000367	Serrated/drop point	Molded plastic sheath w/ reversible clip
---------	-----------	---------------------	--

BIG ROCK™ CAMP KNIFE

Designed for hunting yet versatile enough for utilitarian use, this sturdy knife has a 4.5 inch fixed blade that will handle a myriad of outdoor tasks easily. With a glass-filled nylon core and a TacHide™ overmold, the handle is ready for all day use.

Blade length:	4.5"
Weight:	6.4 oz
Handle:	TacHide™
Sheath:	included
Blade:	full tang

Box	22-01589	Fine edge/drop point	Black polymer-lined cloth sheath
Blister	22-41588	Serrated/drop point	Black polymer-lined cloth sheath
Box	22-01588	Serrated/drop point	Black polymer-lined cloth sheath

CFB™ [COMBAT FIXED BLADE]

The Combat Fixed Blade is tough, indestructible, and reliable. The full tang 154CM stainless steel tanto blade offers maximum strength and the partially serrated blade gives versatility. The molded plastic sheath can be worn on MOLLE, as well as your belt.

Blade length:	4.3"
Weight:	4.9 oz
Handle:	rubberized grip
Sheath:	included
Blade:	154CM steel

"It feels glorious in your hand and it's extremely light."

RICHARD, NORTH CAROLINA

BG COMPACT FIXED BLADE™

Compact and indestructible, this knife was designed to be the survival tool that stays close at hand. A durable rubber handle is ergonomically shaped for better grip; the handy partially serrated blade is housed in a plastic sheath that can clip anywhere.

Blade length:	3.4"
Weight:	3.8 oz
Handle:	durable rubber
Sheath:	included
Blade:	7Cr17MoV steel

CRISIS HOOK KNIFE™

This featherweight knife is engineered for emergency situations: a hook knife that cuts seatbelts, cords, or rope. The elongated profile and blunt tip provide versatile use, never fearing to injure those being rescued. A glass-breaker pommel is part of the handle.

Blade length:	2.9"
Weight:	3.0 oz
Handle:	steel w/ rubber overmold
Sheath:	included
Blade:	7Cr17MoV steel

Box 30-000590 Single bevel + hook TAN499 Friction lock, MOLLE compatible sheath

DEFACTO™

In tactical situations, speed of deployment is key. With an innovative friction lock sheath, this knife is ready in seconds and can be put away just as fast. The spear-point blade has dual serrations, a rubberized grip, and a striking pommel for safe measure.

Blade length:	4.0"
Weight:	3.9 oz
Handle:	fiberglass reinforced nylon
Sheath:	included
Blade:	S30V steel [ceramic TAN499 coating]

Box 30-000523 Serrated/double bevel TAN499 Friction lock, single piece sheath w/ secondary retention lock

EPIC™

Cook, eat, drink, and be merry. With a blunt tip and a bottle opener, this compact knife is loaded with every feature a camper needs. A reversible pocket clip is designed for right or left carry, and a locking sheath adds versatile carry options.

Blade length:	3.5"
Weight:	5.1 oz
Handle:	textured glass-filled nylon
Sheath:	included
Blade:	full tang

Blister	31-000368	Serrated/drop point	Molded plastic sheath	Reversible pocket clip
Box	30-000176	Serrated/drop point	Molded plastic sheath	Reversible pocket clip

FREEMAN™ GUIDE

This knife was created for one reason: to be your go-to knife on the hunt. Full tang construction gives added strength to the 4 inch blade, while larger finger grooves offer comfort for all day use. The TacHide™ overmold provides secure grip in any weather.

Blade length:	4.0"
Weight:	4.4 oz
Sheath:	included
Handle:	TacHide™

Handle:	polypropylene
Blade:	carbon steel

Blister 31-002072 Fine edge Full tang construction High carbon steel blade Nylon sheath

GATOR® BOLO MACHETE™

Based on the classic shape used for decades of clearing, chopping, and cutting, comes the updated Bolo. The ergonomic handle shape, the full tang construction, and the slip-proof grip offer smart design upgrades. Part trimmer, part axe, all business.

Overall length:	22.5"
Blade length:	15.5"
Weight:	20.8 oz
Sheath:	included
Handle:	Gator Grip®
Blade:	carbon steel

Blister 31-002076 Fine edge Full-tang construction Lanyard Nylon sheath

GATOR® BRUSH THINNER™

When the day calls for clearing brush, limbs, and debris reach for this dramatically shaped machete. The high carbon steel blade is sturdy and reliable in crowded areas, the non-stick coating reduces friction for multiple cuts, and the Gator Grip prevents slippage.

Overall length:	19.5"
Blade length:	9"
Weight:	14.3 oz
Sheath:	included
Handle:	Gator Grip®
Blade:	carbon steel

Blister 31-000083 Fine edge Shaped carbon steel blade Contoured nylon sheath

NEW

GATOR® BUSH MACHETE™

With a classic multi-purpose design, this machete has an impressive 17.9 inch full tang blade that is evenly weighted and precision grinded for minimal exertion. Confidently secured by the Gator Grip handle, paracord lanyard, and sheath, go into the wild prepared.

Overall length:	24"
Blade length:	17.9"
Weight:	18.7 oz
Sheath:	included
Handle:	Gator Grip®

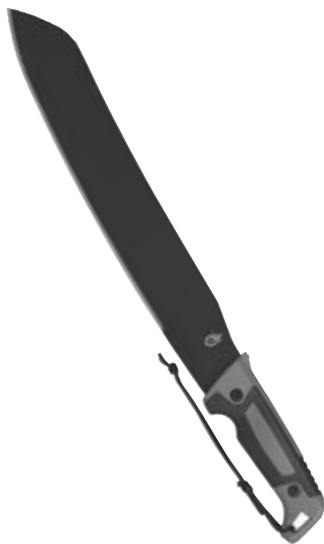

Blister 31-002848 Fine edge Full tang construction Adjustable lanyard Nylon sheath

NEW

GATOR® GOLOK MACHETE™

Featuring the thickest blade in Gerber's machete line, the Golok is built to handle tough underbrush and stubborn green wood. A dual tapered blade design allows for less strain, more efficiency. A Gator Grip handle feels snug in hand even after multiple swings.

Overall length:	19"
Blade length:	12"
Weight:	25.3 oz
Sheath:	included
Handle:	Gator Grip®
Blade:	carbon steel

Blister 31-002850 Fine edge Dual tapered blade design Gator Grip® overmold handle

NEW

GATOR® KUKRI MACHETE™

This triple threat machete is a workhorse: a pointed tip pierces with accuracy, a wide midsection chops with power and ease, a narrow area above the handle is ideal for whittling or carving. With full tang construction and a Gator Grip, this tool is a no-brainer.

Overall length:	19"
Blade length:	12"
Weight:	14.4 oz
Sheath:	included
Handle:	Gator Grip®
Blade:	carbon steel

Blister 31-002074 Fine edge Full tang construction Lanyard

GATOR® MACHETE™

This dual purpose machete solves two obstacles: chopping and sawing. Successful at both, the 18 inch blade features a full performance saw on one side, a 15 inch fine edge blade on the other. With a Gator Grip handle to keep it secure, it is ready for anything.

Overall length:	25.7"
Blade length:	18"
Weight:	18 oz
Sheath:	included
Handle:	Gator Grip®
Blade:	carbon steel

Blister 31-000758 Fine edge Designed for cutting and chopping Gator Grip® handle texture Nylon sheath

GATOR® MACHETE JR™

Built just as tough but shorter and more packable, this version keeps the same dual blade. Perfect for back-country travel, the fine edge tackles brush and vines while the saw cuts limbs and small trees. The Gator Grip keeps tasks comfortable and securely in hand.

Overall length:	18.8"
Blade length:	11.3"
Weight:	14.3 oz
Sheath:	included
Handle:	Gator Grip®
Blade:	carbon steel

"This is a serious machete and I've put it through the paces clearing mountain ash and alder. I've used it to limb pine and cotton wood with branches that I thought I'd need an axe for..."

★★★★

PATRICK LACE, PROVINCIAL PARK MANAGER

Blister 31-000759 Fine edge Designed for cutting and chopping Gator Grip® handle texture

GATOR® MACHETE PRO™

The best of the best, this machete features a truly multi-purpose design. The corrosion-resistant blade is fashioned to chop, gather, cut, dig, or sharpen; the Gator Grip handle ensures comfort throughout. A military-grade sheath is mold and mildew resistant.

Overall length:	16.5"
Blade length:	10.5"
