## **2022 TOWING & RACING CATALOG**

**TOOL MOUNTING SYSTEMS**  
**PACTOOLMOUNTS.COM**

**LANDSCAPING - UTILITY - FIRE, RESCUE & EMS - LAW ENFORCEMENT - MILITARY**

My name is Tom Trzepacz and I am the Towing, Utility, and Industrial Sales & Support Specialist. I have been assisting customers at PAC for over 10 years! PAC provides high quality tool mounting for all of your industry needs! Our products are guaranteed for life and can be used on the inside or outside of your vehicle, etc. PAC has been and continues to be a leader in mounting tools and equipment for the Fire Service and Military! Over the last 5 years our products have expanded and have become very popular in many other industries including Towing, Racing, Landscaping, Public Works, Industrial, Utility, Law Enforcement, and even private use. We have many customers in your specific industry and would be happy to assist you with any of your mounting needs!

You can visit our product showroom / classroom in Lancaster NY or we can provide a free video conference on the internet to meet with you from your location while still being able to show you what we have to offer!

We are in the office from 8:00am – 5:00pm Eastern Standard Time Monday through Friday, feel free to call us at 1-888-514-0083 or you can reach me on my cell phone at 1-716-864-6834 and email – [tom@pactoolmounts.com](mailto:tom@pactoolmounts.com) .

Thanks again, we look forward to serving you!

# TRADITION - SAFETY - VALUE

In the past 25 years PAC has grown from the basement of company founder Dick Young to an operation with over 600 points of distribution in North America and sales in 38 countries around the globe. All this based on the concept of offering Top Quality products combined with the very best Customer Service. The cornerstone of all this is based on our outstanding staff members. They are committed to giving our customers the very best in assistance and overall customer service.

Our history of innovation and our collective experience guide PAC to create products to outlast and outperform. You can expect high quality and value when purchasing PAC products. We are highly recognized in the industries we serve for our attention to detail and overall customer service. Additionally, PAC products are tested to the highest standards and are compliant with National Fire Protection Association (NFPA) 1901 standards and MIL-S901D military shock specifications. And PAC offers a LIFETIME WARRANTY! If any PAC product fails under normal use it is replaced, free of charge.

In recent years we have grown beyond the Fire Market. We have applied our tool mounting knowledge to customers in Law Enforcement, Towing and Tow Vehicles, Homeland Security, Public Utility and the Green Industry, too. Check us out today!!
