# ALL GORGONZ GLOVES

available in sizes M, L, XL & 2X

## Features:

- Synthetic leather fingertip/palm patches and wrap-around index finger/thumb design delivers grip, durability and abrasion-resistance even when wet.
- Box finger construction minimizes bulk in fingertips allowing for greater tactility.

Without removing your gloves use your breath to warm your hands, even in the harshest weather. Just a few warm breaths into the exhale port will bring quick relief to cold hands.

## Basic Fleece 200™

### Winter Performance

- Durable, wind and water-resistant nylon shell.
- 40gm Thinsulate™ insulation maximizes warmth without the bulk.
- Durable, water-resistant & anti-pill fleece palm.

## Winter Pro 650x™

### All Purpose Performance with Exhale

- On-demand warmth: The patented Exhale Heating System™ allows you to warm your fingers with a quick blast of breath - without removing your gloves.
- 40gm Thinsulate™ insulation maximizes warmth without the bulk.
- Neoprene knuckles ensure maximum impact protection.

## Pro Dex 550™

### Fingerless Performance

- Fingerless design allows for maximum dexterity - ideal for picking up nails/screws and for intricate detail work.
- Neoprene knuckles ensure maximum impact protection.
- Terry cloth thumb acts as a sweat-wipe.

## Pro 750™

### Heavy Duty Performance

- Foam-padded palms and extended vented neoprene knuckles ensure maximum impact protection.
- Terry cloth thumb acts as a sweat-wipe.

## Winter Pro 850x™

### Heavy Duty Performance with Exhale

- On-demand warmth: The patented Exhale Heating System™ allows you to warm your fingers with a quick blast of breath - without removing your gloves.
- 100% waterproof/breathable liner.
- 40gm Thinsulate™ insulation maximizes warmth without bulk.
- Foam-padded palms & extended neoprene knuckles ensure maximum impact protection.

## Winter Pro 475™

### Waterproof Performance

- 100% waterproof/breathable liner.
- 40gm Thinsulate™ insulation maximizes warmth without the bulk.
- Neoprene knuckles ensure maximum impact protection.

## Winter Pro 475 HV™

### High-Vis Waterproof Performance

- Orange shell with reflective taping ensures increased visibility from greater distances and peripheral angles.
- 100% waterproof/breathable liner.
- 40gm Thinsulate™ insulation maximizes warmth without the bulk.
- Neoprene knuckles ensure maximum impact protection.
