

Rothco Lightweight Tactical Shirt

Look clean, professional, and prepared for any contingency with Rothco's high-performance Lightweight Tactical Button Up Shirt. This lightweight low profile tactical long sleeve shirt is great for casual wear, tactical use, and the great outdoors. The tactical shirt is made from durable yet comfortable materials and treated for stain resistance to provide you with years of use. Two convenient shoulder mic clips on the security uniform shirt make it a perfect job shirt for law enforcement and first responders. Two front chest pockets on the security shirt are reliably sealed with hook and loop closures to secure your keys, wallet, cell phone, and on-duty essentials. Plus, this tactical combat shirt comes with roll tabs on each sleeve so you can easily roll up your sleeves to stay cool.
