

UNIFORM RAPPEL BELT™

Designed for Emergency Rappel

In a class of its own, CMC offers the only NFPA Certified Uniform Rappel Belts available. Designed for everyday wear but with the performance needed for an emergency rappel or belay. Standard uniform wear for search and rescue, SWAT and fire rescue personnel, the belt is constructed to the same exacting standards as our harness line and is the only certified uniform belt available. The tail end of the belt and the V-ring attachment point are secured out of the way with hook and loop fastener. Belt is constructed with mil spec webbing that includes tracer thread.

Note: This belt is not intended as a substitute for a harness.

Option	Small
Item	202422
PRODUCT NAME	BELT, UNIFORM RAPPEL SM, CMC
NFPA RATING	ESCAPE BELT
WEIGHT	9 OZ (255 G)
