

CONQUEROR[®] MAG

protective eyewear

Get The Lay Of The Land... Down To The Smallest Detail.

With the same commanding presence as the popular Conqueror[®], **Conqueror MAG** bifocal safety eyewear helps to maximize small details while shielding workers from daily impact hazards.

Conqueror MAG provides total eye protection, while meeting the needs of workers who need a little extra help to read small print or perform detailed tasks. Bifocal safety eyewear means workers don't have to switch between regular safety glasses and reading glasses, a dangerous maneuver that can result in errors and eye injuries.

Available in five diopter strengths, **Conqueror MAG** meets a multitude of user requirements while helping to reduce eyestrain and improve compliance. Plus, **Conqueror MAG** includes such comfort features as a soft rubber nosepiece and ergonomic contoured temple tips for all-day wearability.

While adding clarity to every detail, **Conqueror MAG** defends against impact hazards with a durable, one-piece polycarbonate wraparound lens that meets and exceeds ANSI Z87.1+. So when the parts get small but dangers still loom, get the product that never surrenders... **Conqueror MAG**.

CONQUEROR® MAG Features

- Bifocal eye protection in a sleek, sporty style that workers will love.
- Soft, comfortable nosepiece prevents slipping and helps keep glasses in place.
- Ergonomic contoured temple tips eliminate pinching behind the ears.
- Adjustable-length eyewear retainer comes with each pair.
- Durable polycarbonate wraparound lens.

Conqueror® MAG vanquishes impact hazards for those who need a little extra help seeing small parts.
