

# StarLite®

**Still The One...The Original. The Best.**

**StarLite®** is super cool and incredibly light. Weighing less than one ounce, **StarLite** is extremely comfortable and low-cost protective eyewear that offers excellent all-around impact protection.

Revolutionary in its design... The sleek and compact **StarLite** is extremely popular and often imitated. But **StarLite** is unmatched for ultra lightweight wearability; superior optical quality; and its comfortable, snug-fitting, wrap-around body that provides improved impact protection around the eyes.

Also available – **StarLite® SM** – same styling as the **StarLite** but 10% smaller. Ideal for workers with thin or narrow facial profiles.

**Gateway**  
S A F E T Y

# StarLite®

Snug-fitting front, with dual 9.75 base curvature, offers wide, unobstructed vision – popular, low-cost all-around impact protection.

StarLite® SM – 10% smaller, for workers with smaller facial profiles.

## Also get the popular StarLite style in:

StarLite MAG (bifocal eye protection); StarLite Foam and FOAMPRO™ (foam-lined eye protection); StarLite GUMBALLS® (colored temple options); and StarLite IR (light welding eye protection).

**\*And now available in fX3 premium anti-fog lens options!**

## StarLite® Features

- Incredibly light, all-around impact protection.
- Independently tested and certified by Underwriters Laboratories to meet ANSI Z87.1+ and CSA Z94.3, and meets the ballistics impact section of the U.S. Military standard, MIL-PRF-32432 (GL).
- Popular design appeals to both men and women, helping to ensure worker compliance.
- Scratch-resistant, 100% polycarbonate lens.
- Features revolutionary, dual 9.75 base curvature viewing areas for wide, unobstructed vision.
- Snug and comfortable fit to minimize slippage and provide full brow protection.
