

A rugged, compact lantern with magnetic base that becomes a versatile, hands-free work light when attached to steel surfaces. With 360° of soft, even light that illuminates a large area, it's perfect for when you need a lot of light without taking up space, and uses affordable, easy-to-find AA alkaline batteries.

Removable, polycarbonate, glare-reducing cover provides soft, even 360° light distribution

Comfortable to use in close quarters without impairing vision

Recessed power button prevents accidental actuation

Battery level indicator flashes red when batteries reach the end of their useable life

Only
5.44 inches
