

## LEVEL 1

# dusk

RoHS COMPLIANT CE

### Dusk

710-401 (110v)  
710-404 (230V)

### Features

- 1000 watt extruded aluminum heat exchanger
- Continuous fog output with auto-ramping
- Simple On/Off control switch
- Rear mounted for virtually maintenance free operations (regular cleaning only)

### Specifications

**Output:** 1L/h of Smoke Fluid  
**Power:** 9.1A @ 110V/60 Hz  
 4.3A @ 230V/50Hz  
**Weight:** 11.9 lbs  
**Dimensions:** 16.0 x 7.5 x 8.2 inch  
**Houseing:** Rugged 12 gauge steel case  
 Chip resistant powder-coated paint  
 Hard point attachments for hanging  
**Approvals:** CE  
 RoHS Compliant  
 ETL / cETL (Pending)  
**Warranty:** 1 Year

**SHADOW**  
SMOKE MACHINES

## LEVEL 2

# NIGHTFALL

RoHS COMPLIANT CE

### Nightfall

710-430 (110v)  
710-435 (230v)

### Features

- 1200 watt heat exchanger
- 7 Minute start-up time
- Direct thermal protection
- Rear mounted XLR socket (provides 12V DC at 50mA) to power and interface device for triggering the machine. (eg. remote control).
- Removable digital remote control with 9.8 foot cable
- Adjustable flow rate
- Permanent heating system
- Programmable emission

### Specifications

**Output:** 21,190 ft3/min Flowrate in continuous low-flowrate operation  
**Power:** 1050W, 8.75A @ 110V 60 Hz  
**Weight:** 24.7 lbs  
**Capacity of built-in tank:** 0.66 Gallon/2.5 liters  
**Fluid consumption:** 0.02 Gal/min  
**Dimensions:** 19.1 x 13.2 x 9.6 inch  
**Warranty:** 5 Years

## LEVEL 3

# BLACKOUT

RoHS COMPLIANT CE

### Blackout

710-431 (110v)  
710-436 (230v)

### Features

- 2100 watt heat exchanger
- 10 Minute start-up time
- Direct thermal protection
- Rear mounted XLR socket (provides 12V DC at 50mA) to power and interface device for triggering the machine. (eg. remote control).
- Removable digital remote control with 9.8 foot cable
- Adjustable flow rate
- Permanent heating system
- Programmable emission

### Specifications

**Output:** 46,615 ft3/min Flowrate in continuous low-flowrate operation  
**Power:** 1800W, 15A @ 110V 60 Hz  
**Weight:** 39.1 lbs  
**Capacity of built-in tank:** 1.32 Gallon/5 liters  
**Fluid consumption:** 0.05 Gal/min  
**Dimensions:** 23.1 x 15.6 x 12.1 inch  
**Warranty:** 5 Years
