

The Wedge is a compact, high-performance EDC light designed for clean pocket carry. It's outfitted with an intuitive rotating thumb switch that provides tactile control over the constant-on and THRO™ (Temporarily Heightened Regulated Output) modes.

Made of rugged anodized aluminum with a waterproof USB-C port, the Wedge balances durability with performance.

<p>Features two lighting modes: Constant on and THRO™ (Temporarily Heightened Regulated Output) mode for maximum brightness</p> <p>300 lumens; 69m beam; runs 3 hours</p> <p>THRO™: 1,000 lumens; 110m beam; 35 second burst</p>
<p>Battery level indicator located in switch - turns red when it's time to charge</p>
