

## SPECIFICATIONS

Product Description: **MANHOLE SAFETY CROSS**  
Part Number: **9406 SERIES**  
Style: **ADJUSTABLE AND FIXED**

### GENERAL DESCRIPTION:

The Manhole Safety Cross is a two-bar system that interlocks in the center to reduce the manhole opening size minimizing the chance of falling into the manhole. This unique safety device installs in seconds, stores easily and causes zero damage to the manhole or street. For added safety, each bar is labeled with warning stickers and numbered for easy installation.

### FEATURES:

- Includes two bars w/ clearly marked warning labels and installation numbered stickers
- Fixed cross length: 24" and 30"
- Adjustable cross sizes (*shown to the right, 2<sup>nd</sup> image*):
  - Small size fits 18", 21" and 24" manhole openings
  - Large size fits 26", 30" and 36" manhole openings
- Reduces the size on the manhole opening
- Installs in seconds without causing any damage
- Stores easily
