

# CROSSHAIR™ 2X

ESSENTIAL CORE PERFORMANCE™  
ESS CROSS-SERIES™ COMPATIBLE

## PRODUCT DESCRIPTION

At ESS, superior function comes standard. The ESS Crosshair™ exceeds ANSI Z87.1 optical standards and U.S. Military impact requirements while providing all-day comfort and a universal fit. This entry-level eyeshield goes well beyond the basic necessities of performance eye protection: with a baseline of advanced technology and superb adaptability, the Crosshair™ benefits from complete compatibility with the ESS Cross-Series™ eyeshield platform.

**Engage. Adapt. Excel.** As part of the ESS Cross-Series™, the Crosshair™ can be upgraded at any time with premium anti-fog Crossbow® lenses. It can also be adapted for use under hearing pro and comms gear with ESS' ultra-thin Suppressor™ frames. With the Crosshair™ and Cross-Series™, ESS has bridged the gap between price and premium performance. Now, more than ever, your eye pro kit can match your mission requirements, and your budget.

## BALLISTIC PROTECTION STANDARDS

The Crosshair™ Eyeshield exceeds U.S. MIL SPEC MIL-PRF-32432, ANSI Z87.1-2010, CE EN166 & U.S. Federal OSHA
