

Wildlands Reverse Seam Gloves

*A truly comfortable
firefighting and work glove
that prevents blisters!*

- Certified compliant, NFPA 1977, 2016 edition
- Meets FED OSHA 1910.156 (e)(4) and Cal/OSHA Title 8 Section 3407
- Reversed seams minimize chafing and virtually eliminate the development of blisters when worn for extended periods
- Optional sturdy, easy-to-use stainless steel buckle on snugger strap assures very good dexterity (mc)
- Specially treated grain cow leather stays soft and pliable after drying
- Can be worn for long periods without hand fatigue or discomfort
- Special thumb design increases comfort and ease of donning and doffing
- Hang loop
- Sizes: XXS–3XL

Available with optional
Kevlar[®] knit wristlet and/or
snugger stainless steel buckle
on snugger strap
