NFPA Certified Helmet**

HIGH-PERFORMANCE, LOW-PROFILE FIRE HELMET

Low-Profile, Modern-Style Fire Helmet

Built with strong, long lasting state-of-the-art fiberglass composites, LION's American Honor™ modern style helmet is lightweight, comfortable, and keeps first responders ready for action.

Durable, Matte Finish Shell

Impact-resistant distressed finish shells with through color means the look you want remains during the life the helmet.

Patented Center of Gravity™ Adjustment System

The patented center of gravity adjustment offers customizable fine-tuning to ensure the helmet stays securely in place, leaving the wiggle and wobble for the dance floor.

QuickClean™ Soft Goods

Featuring easy-to-remove QuickClean soft goods system designed to encourage frequent laundering because cleaner gear is safer gear. The entire suspension system with soft goods attached is easily removed and placed into our user-friendly bag for washing, saving time and hassle. An available "second set" soft good kit means no excuses when it comes to keeping gear clean.

Unmatched Size Range

Fits the LARGEST range of head sizes in the market: 19-27" (Smaller than the traditional smallest hat size of 6-3/8 AND extending well beyond the largest 8-3/4) to ensure proper fit.

Full Line Eye Protection

A full range of approved options to meet all your eye protection needs. Choose from NFPA 1971 compliant faceshields, goggles, integrated faceshields, or flip downs.

DESIGN DETAILS
